Making language fun.

Windham Academy of Foreign Languages will again be offering after-school foreign language classes. With teachers, who are totally fluent, and using games and total immersion our unique program makes learning fun. Children are able to assimilate the true sounds of a language and pick up languages quickly. This talent will enrich the rest of their lives in business and travel.

Classes run from Sept 26 through May, immediately after school for one hour per week

Based on interest French and/or Spanish will run at the schools on the days listed below. With enough interest German, Italian or Japanese can also be taught.
